

QuickView™ Replacement Shield

Model QVGHCF5-6

Product Data Sheet

6" gold on shade 5 green hard-coated flip-front shield

Product Details	
Product Name	QVGHCF5-6
Material	Shields-Polycarbonate
Color	Gold-on-shade 5 green
Product Weight	0.31 lbs
Specification	ANSI.Z87.1+
Description	6" gold on shade 5 green hard-coated flip-front shield
Competitive Advantage	Optimizes visibility by allowing for a clear view for certain applications and a gold-coated view for furnace and other high heat applications. Since the shield is injection-molded to shape, it features improved optical & physical characteristics. The formed shape also improves comfort & safety considerations. The polycarbonate material performs excellent against both high impact and high temperature applications. Premium gold coating reflects radiant heat and visible/infrared light. Hard coating on the exterior extends service life of the shield.
Applications	Gas cutting & welding. Impact: Chipping, grinding, machining, masonry work, riveting, & sanding. Glare.
