

# QuickView™ Replacement Shield

## Model QV96GHC6F5-6

## Product Data Sheet

Injection molded clear face shield measuring 8" x 15 1/2" x 0.060" with a 6" gold on shade 5 green hard-coated flip-front shield and cap bracket for slotted & non-slotted caps.

Product Details	
<b>Product Name</b>	QV96GHCFM-2
<b>Material</b>	Shields-Polycarbonate Bracket-Nylon
<b>Color</b>	Shields-Clear/Gold-on-shade 5 green Bracket-Blue
<b>Product Weight</b>	0.84 lbs
<b>Specification</b>	ANSI.Z87.1+
<b>Description</b>	Injection molded clear face shield measuring 8" x 15 1/2" x 0.060" with a 6" gold on shade 5 green hard-coated flip-front shield and cap bracket for slotted & non-slotted caps.
<b>Competitive Advantage</b>	Optimizes visibility by allowing for a clear view for certain applications and a gold-coated view for furnace and other high heat applications. Since the shield is injection-molded to shape, it features improved optical & physical characteristics. The formed shape also improves comfort & safety considerations. The polycarbonate material performs excellent against both high impact and high temperature applications. Premium gold coating reflects radiant heat and visible/infrared light. Hard coating on the exterior extends service life of the shield.
<b>Applications</b>	Gas cutting & welding. Impact: Chipping, grinding, machining, masonry work, riveting, & sanding. Glare.
