

VENTINOUT CTF-40
Industrial Blower

STANDARD : **CE**

INDUSTRY		IDEAL APPLICATIONS
Pharmaceutical	Construction	Confined Space Ventilation
Cement	Oil & Gas	Drying and Curing
Food & Beverage	General Manufacturing	Underground Ventilation
Agrotech	Steel & Power	Equipment, Process & Personnel Cooling
Petrochemical	Marine	Welding Fume Exhaust
Chemical	Shipbuilding	Exhaust Smoke, Heat and Fire Gases

VENTINOUT CTF-40 - 16" AXIAL METAL BLOWER

Designed for applications requiring larger amounts of air output, the Standard 16" (400 mm) Axial Blower offers a 1.5 HP motor with an efficient eight-blade impeller in a rugged, lightweight metal housing. Certified to CE

SPECIAL FEATURES

PORTABLE

EASY TO CARRY

HEAVY DUTY

LIGHT WEIGHT

CONSTRUCTION

- Complete unit epoxy powder coated in safety orange
- 16-gauge armour steel sheet housing
- Silver metal coated grill for safety
- Powered by a 1.5 hp motor
- 8 blade precision balanced heavy duty aluminium alloy impeller
- Motor equipped with thermal switch for overheat protection
- Attached duct at either flange for intake or exhaust ventilation
- All components are coated for greater wear resistance
- Compliance: Certified to CE

DIAMETER	STYLE	COLOR
16" (400 mm)	Axial Fan	Safety Orange

MOTOR	VOLTAGE	FREQUENCY
1.5 HP	240 V	50 Hz.

SPEED	FREE AIR CAPACITY	WEIGHT
2800 RPM	3700 CFM (120 m ³ /min)	29 kg

Udyogi

DIMENSIONS	CERTIFICATIONS
44(L) x 39.5(W) x 39.5(H) cm	CE

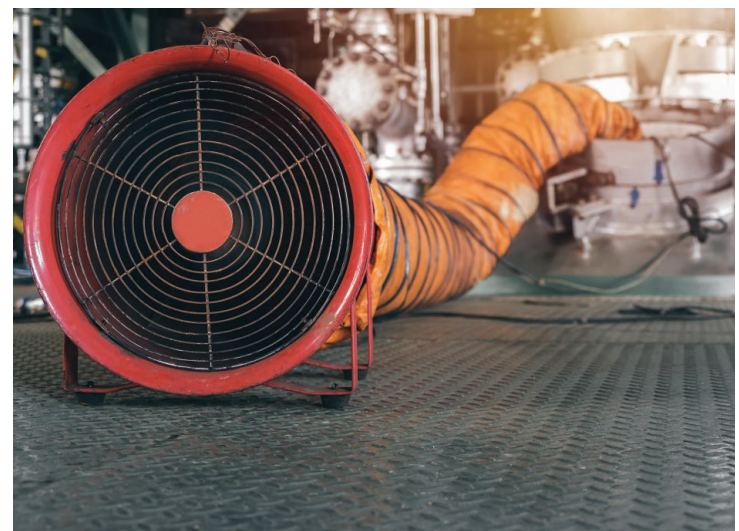

FEATURES
Dynamically designed fan housing to optimizes airflow efficiency
Protective guards meeting OSHA standards
Impeller is designed for high Static pressure providing higher airflow rate
Equipped with four rubber feet
Integrated carrying handle for easy transport

STORAGE	CLEANING
Store in shadow, dry, room temperature	Clean with soft, dry cotton cloth

APPLICATION
Confined space fresh air supply
Fume removal (degassing)
Process cooling
Equipment cooling
Source capture fume exhaust
Personnel heat stress relief
Air curing and drying of paints and coatings

ADVANTAGE
Equipment cooling and personnel cooling to increase safety and improve production
Reliable fresh air supply in confined spaces for comfort and safety
Premium heavy-duty, continuous-operation motor
Heavy-duty construction to meet industry demands

PACKING
1 piece in a carton

Udyogi
